

GASOLINE EART AUGER WITH STAND 52 CC

EARTH AUGER

- Gasoline earth auger ideal for making small foundations, installing posts, stakes, fences, and for planting hedges and shrubs.
- Machine mounted on a wheelbarrow-type stand, facilitating transport and movement during work.
- The stand also provides greater stability and allows to work more safely by absorbing the jerks felt during drilling.
- Pivot mounting guaranteeing to keep the auger on a vertical axis, allowing good control of the machine.
- Stand dismountable without tools, to save space and easy transport in the trunk of a car.
- Accessories storage box, wheel Ø 360 mm.
- Boitier de rangement des accessoires, roue Ø 360 mm.
